

Suggested content of the poster:

- Title
- Authors (affiliation)
- The purpose and/or goal of the work (abstract)
- Motivation information, background information, hypothesis underling the work
- Methods/materials used
- Results (or anticipated results if the work is in its initial stage) of the work in sufficient details to be understood by a viewer
- The relationship to related works, where appropriate
- Open questions/future work
- Key references (max. 3)
- Additional information (web site, contact of the authors, citation of the paper)

Format of the poster:

- Poster format A0 (841 x 1189 mm)
- Orientation: portrait
- Title: in 72 pt. Arial Bold
- Authors: 60 pt. Arial
- Location: 60 pt. Arial
- Body text of 36 point Arial is ideal.
- Text should not be smaller than 24 pt., this will keep your poster legible from normal viewing distance.
- Scan resolution should be 180-200 dpi at least (do not use JPG or GIF formats).
